

Krow Shore

2008 Syrah

Winemaker's Notes

*Krow Shore is literally
our Workhorse wine.
Thus the Anagram.
Enjoy with a Steak or a Sunset.
Drink now or later.
Sip or Slurp!*

This is the second vintage of our new label, Krow Shore. These wines are designed to be easy drinking and easy on the wallet. They are very smooth, fruity and ready to drink now. No additional aging is necessary, but they will become even softer in another year. I call them, "the perfect Sunday through Thursday drinking wine."

This Syrah hails from the very sandy soil in Los Alamos Valley. This is a cool climate Syrah. The fruit was picked very ripe and fermented slow and cool to maximize the jammy fruit, yet still maintains the wonderful spice that we love about Syrah. It brims with super ripe fruit flavors that are followed by silky smooth tannins. It has impeccable balance and all the pieces fit together perfectly to create a wonderful wine at a great price.

Cases 191

100% Syrah
